**INTRODUCING**  
*the* **WILSONIAN**  
*by*  
*the* **SPIRIT** *of* **76**

The Spirit of '76 - an expression heard often in this bicentennial year. One usually thinks of days of old - George Washington, Valley Forge, Paul Revere, the valor and courage of soldiers who have given their lives for their country. They suffered greatly, and sacrificed many sacred and personal things for their desire of freedom. They had to be bold, confident, and stand up for what they felt was right. What better expression than this - The Spirit of '76 - could describe this year's graduating class? Though there are no grand and noble wars to fight, this class will stand out in history as one that makes changes and improvements, just as it's ancestors have done. Recent changes initiated by this class include a student lounge, an open campus, and a new constitution. This class has the leadership potential and teamwork ability needed to improve major problems. It has the confidence and courage to stand up for what it believes is right, and to correct what it believes is wrong. Though times have changed, appearances have altered, and styles of speech and clothing have differed, the inner spirit - the feeling of freedom, pride, and courage still remains alive and strong. The class of 1976 has that spirit of 1776, and will add to the many accomplishments of this great nation.

THE MOMENT IS TEMPORARY, BUT THE  
MEMORY IS FOREVER.

*Memories light the corners of my mind  
misty watercolored memories  
of the way we were.*

"Daddy, what did you do in the great war?"

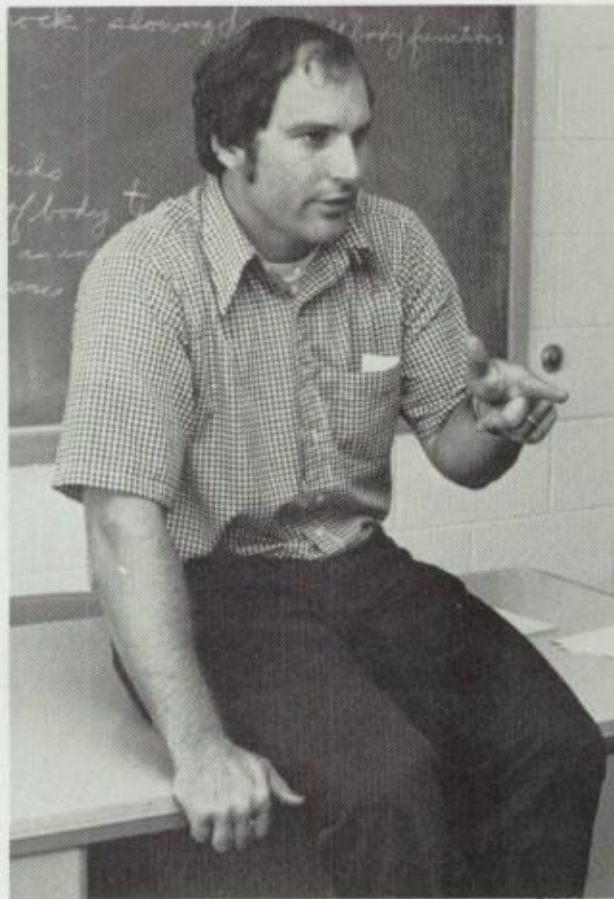

The Spirit of '76 never dies. In fact, many sayings which are famous throughout history can still be applied to present-day situations as shown here.

"Oh say can you see ..."

"My fellow Americans ..."

"Uncle Sam wants you!"

"The British are coming!", was cried by Paul Revere to alert the patriots of coming danger. Today, Wilson students also cry about coming danger, usually when a teacher walks into the lav.

# DEDICATION

To a man who has given  
much of himself so that  
others may learn to  
appreciate the beauty of  
art. His help during our  
years at Wilson will  
never be forgotten.

We thank you, Mr. Wealand

Super Seniors- taking a break after a busy season.

After tryouts in March, the football-basketball cheerleaders immediately began learning cheers and routines, and earning money for camp. At the ICF camp in Elizabethtown, the varsity squad received the title of Grand Champion, at the end of week-long competition, and the J.V. and varsity both won many blue ribbons in preliminary competitions. The new advisor, Mrs. Pat Greider, helped the squad in planning pep rallies, decorating lockers, and many other activities. The captain of the squad was Jean Mitzel.

# SOCCER-WRESTLING CHEERLEADERS

Captain Ann Madenford

Soccer cheerleaders boosting the team morale.

Patti tells Lori "how it's done!"

Gretchen, are you SURE?

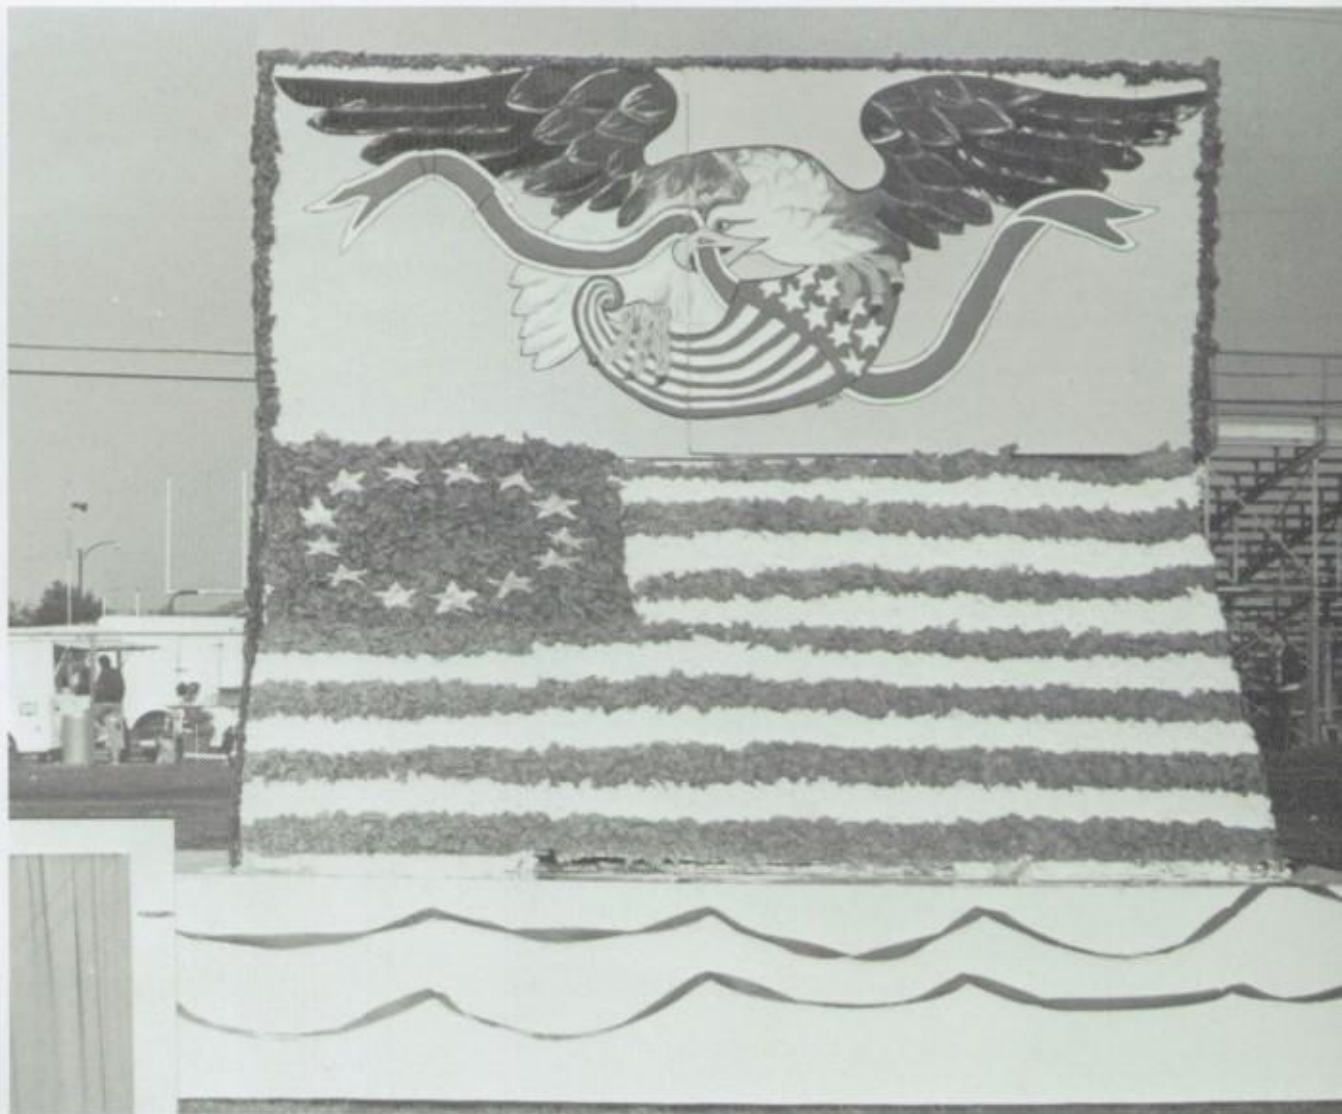

The soccer-wrestling cheerleaders did a fine job of raising the spirit and interest in their respective sports during the year. Despite a dismal soccer season, the girls boosted the moral of the members, led by captain Ann Madenford and advisor Miss Kathy Biffel. They too went to camp and learned many new cheers and chants, which they performed at a pep rally. This was the first year this squad participated in any rallies, and they did a good job. Their many signs boosting soccer and wrestling could be found throughout the halls. They worked hard to bring more recognition to the soccer team and cheering squad, and to cheer the wrestlers on to victory.

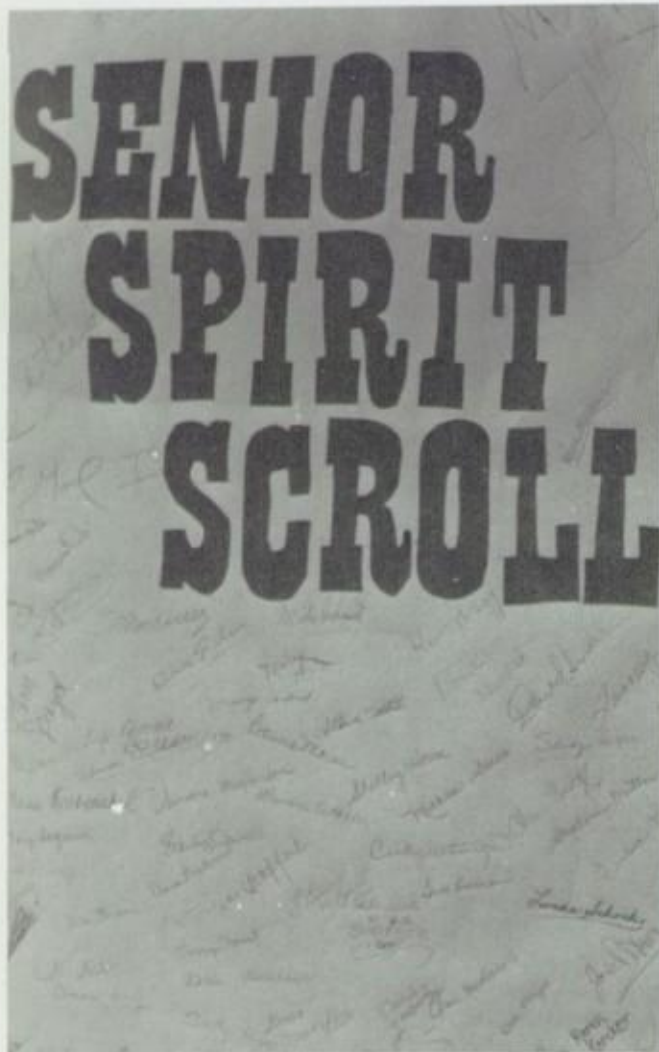

# SPIRIT WEEK

The second annual Spirit Week was the week of Homecoming, and competition was hot between Juniors and Seniors. It began with Spirit in such activities as Scroll Day, Hush Button, Color Day and ended Friday with the best pep rally of the year. The Seniors came out in full strength and wound up the week with the winning float. The Class of '76 held the Spirit Week trophy the entire time at Wilson, to prove that it really has the Spirit of '76.

The seniors winning float, naturally!!!

Hey Dawn, What's Happening??

The 1975-76 Homecoming Court.

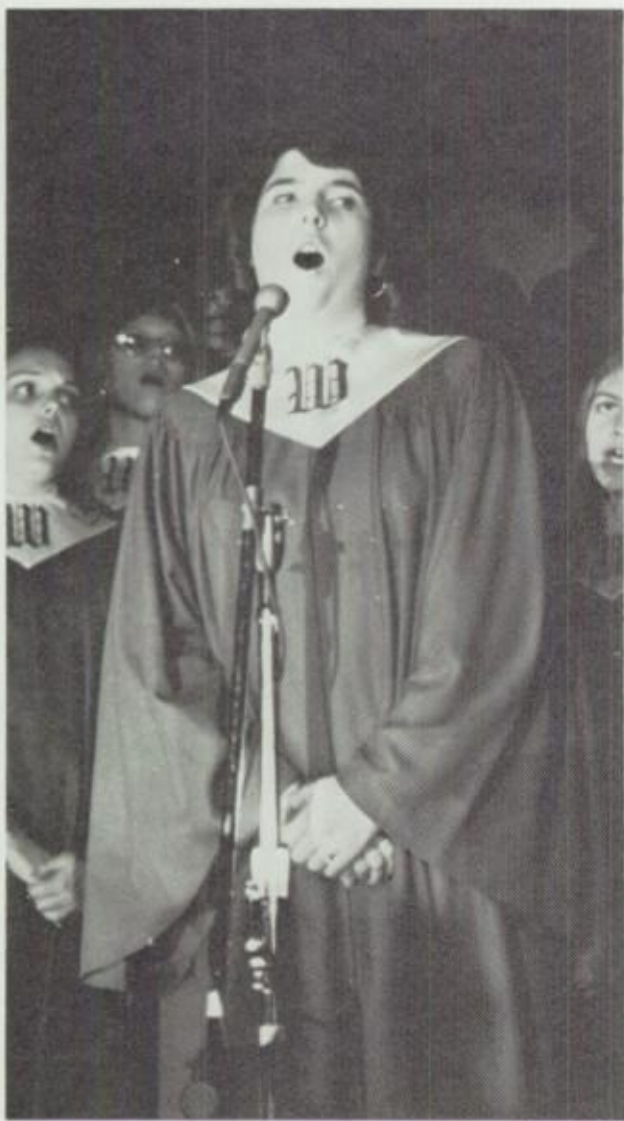

Rain and drizzle during the car caravan did not dampen the smiles or spirit of the 1975 Homecoming court at the Lebanon football game. The tenth grade representative was Charlene Auman, escorted by Steve Owens; eleventh grade representative was Bev Miller, escorted by Bob Ford. The Senior girls in the court were Lisa Zondlo escort Dave Downey; Debbie Strickler escort Tom Moyer; Joanne Frankhouser escort Dave Moyer; Nancy Jewell escort Jim Peters; Pat Brown escort Kevin Kline; and Andrea Wolfe, escorted by Herm Pfesterer, was crowned 1975 Homecoming Queen during halftime ceremonies.

# CHORUS

Joyce Wetzel sings "O Holy Night."

"Watch out Liberache, here I come."

"I'm not starting until it's absolutely quiet."

The happy chorus members?!!

It was a great year for Spirit as the Senior girls participated in two of the best pep rallies ever held at Wilson. The Twelve Days of Practice, organized by the cheerleaders and presented by a group of Senior girls, had teachers, students, and players laughing hysterically. The other, a satire on games with a chorus singing lines of pop songs as answers to questions, got its share of laughs. However, the pep rallies were not only entertainment. They also inspired the crowd to cheer. The climax of the year was the Spirit Week Pep Rally, with Scott Kearn winning Mr. Irresistible, Barry Greenawalt- Mr. Sexy Legs, and Scott Wagner as Mr. Best Body. The cheering got the classes full of enthusiasm and proved 1976 Pep Rallies the best ever.

# IN MEMORIAM

A TRIBUTE TO MR. GEORGE C. GRIESEMER

*His moment came too soon -  
Struck down as he so often  
Felled a tree upon his land!  
Patriot, teacher, friend,  
Strong of hand and moral conviction,  
He modestly gave of his time and talent  
And made this world a better place.  
A rugged individualist,  
Yet warm of heart  
And understanding, too -  
Taught us all, by example,  
The dignity of work to do.*
